### Important Test Registration Information

There are several steps in the test registration process. Once you begin, do not use your browser's Back button. Do not double-click on any field.

**IMPORTANT:** The name you use when you register must exactly match the name on the identification (ID) you bring to the test center. If the information does not match, you will not be able to take the test and your test fee will not be refunded.

**Review ID Requirements** All test takers must provide valid, acceptable identification (ID) documents to be admitted to a test center. Your ID requirements depend on your country of citizenship and where you plan to test. Go to <http://www.ets.org/toefl/ibt/register/id> and select the country where you plan to test to see the requirements. If you cannot meet the ID requirements or have questions, contact the ETS Office of Testing Integrity (OTI) at [TSPReturns@ets.org](mailto:TSPReturns@ets.org) or 1-800-408-5430 **BEFORE** you register for a test. If you do not contact OTI and are unable to test or your scores are held or canceled because you do not have acceptable ID, your test fee will not be refunded.

**Select a Test Center** Your choice of available testing sites will depend on your desired location and dates.

**Select Score Recipients** Your scores will automatically be available online approximately 10 days after your testing date. You can select institutions or agencies to receive your scores during the registration process. If you wish, you can review our [Score Recipient Pricing Policy](#).

**Answer Demographic Questions** You will be asked a few questions about your background. Your answers to these questions are for research purposes only and will NOT affect your test scores.

**Review your order and make your payment** You can review or modify your order summary before payment. If you are paying by credit/debit card, please have all your card information available, including your billing address. See [Payment Options](#) for more information. For refund information, see the [Refund and Cancellation Policy](#).

## Enter Identification (ID) Information

All test takers must provide valid, acceptable identification (ID) documents to be admitted to a test center. The ID requirements depend on your country of citizenship and where you plan to test. See <http://www.ets.org/toefl/ibt/register/id> to see the ID requirements for your location.

The ID document you bring to the test center must exactly match the name you use when you register for the test.

If your ID does not contain your name, photograph and signature, you will be required to also provide a supplemental ID. See <http://www.ets.org/toefl/ibt/register/id> for more information.

If you think you may not be able to meet the ID requirements, contact the ETS Office of Testing Integrity (OTI) at [TSReturns@ets.org](mailto:TSReturns@ets.org) or 1-800-406-5430 BEFORE you register to test. If you do not contact OTI and are not admitted to the test center or your scores are withheld because you do not have acceptable ID, your test fee will not be refunded.

We strongly encourage you to provide your Passport or National ID number during registration, rather than any other type of ID. If you plan to study, work, or settle in Australia or the United Kingdom, you must provide a Passport or National ID, required by the immigration authorities in those countries. You can add or change your ID information by selecting "Update Identifying Information".
